Any members who have any of the symptoms of COVID 19 such as a new persistent cough, temperature, loss of taste or smell or have to self-isolate should not attend the club. Please stay at home (self-isolate) and contact your GP or get a test.

When you arrive for your session you will need to follow the queueing guidelines and register your attendance at the desk. You will then have the opportunity to buy game tokens which we would prefer you to use as they can be easily sanitised. They are available in bags of 5 for £17.50 to be paid by cheques where possible if not we will accept cash.

If any member of the club shows any symptoms of COVID 19 within 3 weeks of attending a session, please advise us immediately to allow us to contact other members who attended the same session and give us the chance to take the appropriate action at the club premises.

These actions are being taken to protect all of our members and volunteers so please bear with us through these unusual times.
